CONDITIONS OF PARTICIPATION

Participation is at your own risk.

The structural rules for this year's soapbox race (see below) should be noted. Minors can only participate if the race direction has received a declaration of consent (PDF download) from a parent or legal guardian. On race day, each underage team member must bring their own signed consent form or sign it on site.

Participation is free.

BUILDING REGULATIONS

The Technical Delegate will carry out the pre-launch inspection of the soapbox. The legal representative of the driver is solely responsible for ensuring that the soap box is in perfect technical condition (maneuverability and functionality).

- The soapboxes must not have any dangerous (!) outriggers, push rods or similar that protrude beyond the wheels (track width) or body.
- If there is a risk of injury, the saw will be used :)
- Maximum dimensions: width 2.5 m / length 4 m / height 3 m
- Functional steering and brakes
- No motors, ride only with gravity!
- Advertising can be placed on the box

THE DRIVER MUST WEAR THE FOLLOWING EQUIPMENT

- Full face helmet
- Trousers
- Long-sleeved jumper or jumpsuit
- Closed shoes
- Gloves

COURSE OF THE RACE

The soap box must roll off the launch pad under its own gravity. Any starting aid is prohibited. During the driving, the soapbox must not be left for example for acceleration. It is also forbidden to accelerate with your hands.

RANKING OF RACES

Three runs are planned, the two best results being counted.

CIRCUIT DRIVING

Driving on the race track with vehicles of any kind is not permitted throughout the day.

Training on the running track is not permitted!
